

Spread the Word

Your family already knows about the outstanding educational experience that Prince of Peace Christian School has to offer.

But when was the last time you shared that story with others?

At a time when Texas public schools face massive funding cuts to staff and programs, parents are looking for high-quality education alternatives—more than ever.

We have a unique opportunity right now to let others know about POPCS
...in time to impact 2011-2012 enrollment.

Promoting POPCS will benefit the entire POPCS family: allowing us to recruit and retain top educators, invest in new technology and programs, and strengthen our overall ability of providing a world-class Christ-centered education.

The School Leadership Team and School Board have put in place a recruitment incentive program that offers a financial benefit to our referring families.

Please visit our website at <http://www.popcs.org/news/referral.cfm> for referral information.

There is no stronger advocate for POPCS than our students and families!

POPCS Referral Reward Program

Dear Families and Friends:

The number **one** reason our school is selected by new families is **YOU**. Given the challenges of the economy and specifically, the funding questions facing public schools at the present time, many of your friends may be more receptive than ever to hearing your POP STORY. Promoting POPCS will: pave the way for future resources, attract, retain and reward teachers, and provide additional instructional/technology resources. How? By operating at capacity, all of this and more is possible. With your help in sharing your POP Story, we can increase enrollment. The school board is excited at the possible rewards a referral program could extend to our program. So excited, in fact, that we will reallocate marketing dollars to this project for the coming school year. Please take a moment to review this information and prayerfully consider whom you could invite to be a part of developing disciples and leaders for success and service in the 21st century.

For *each new student* that is referred to POPCS by an existing POPCS student/family, is accepted, and attends: The referring family will receive a **\$1000** voucher. Vouchers can be applied in the following ways:

- \$1000 payment to the referring family
- Donating the voucher to the new family being referred
- Donating the voucher back to the school to benefit a program of your choice at POPCS:
 - Academics, Arts, Athletics, Assistance-Financial Aid

Limitations and restrictions:

- “New student” is defined as one without any other siblings currently enrolled in POPCS
- Returning students may be referred if they have not attended POPCS in the past 2 yrs.
- Referring family must fill out and attach form and submit form to School Office, prior to the family being accepted (Referral may not be made retroactively).
- The new student must be entering Preschool through 12th Grade.
- The voucher can be redeemed for payment payable to the referring family, donated to the family being referred, or designated to academics, arts, athletics or financial assistance.
- The voucher is considered a taxable benefit based on current I.R.S. regulations. If the voucher is designated to Prince of Peace it is considered a charitable contribution and qualifies as a tax deduction.
- This referral incentive program is **limited time offer** (first come, first served) and will be in place through October 2011.
- This offer is subject to enrollment restrictions (i.e. the class size: must be able to accommodate the new student(s) being referred). New students must meet POPCS admission qualifications/criteria (application/testing/interview). Final decision regarding acceptance rests with school principal.
- If the referring student(s) withdraws, before beginning of the 11/12 school year, the referral reward could be reviewed.
- There is no limit to the number of students a POPCS family may refer.
- Rebates are not available for referrals prior to May 15th, 2011 or after October 31st, 2011.

POPCS Referral Form

This document **MUST** be submitted by the referring family and placed with the new student's application for admission.
