

Prince of Peace Christian School & Early Learning Center

2010 - 2011 School Profile

THE SCHOOL

What sets Prince of Peace Christian School apart from other schools? In some ways, we are like all Christian schools in the Dallas area: we share a faith in God and we provide a Christ-centered environment for learning. In other ways, we are very different: we are recognized as a **National Blue Ribbon School of**

Excellence by the United States Department of Education, a distinction that reflects the academic excellence of our programs and the achievements of our students. We strive to keep parents informed so that they play an active role in their child's education. But what really makes our institution unique is that students are given the opportunity to discover who they are, what interests them, and how to use their skills/talents to become successful.

ACCREDITATION/AFFILIATIONS

Prince of Peace Christian School is accredited at both state and national levels. We are a member of the Southern Association of Colleges and Schools (SACS) and are also accredited by the Lutheran School Accreditation Commission (LSAC). LSAC is certified by the Texas Private School Accreditation Commission and is recognized by the Commissioner of Education of the Texas Education Agency (TEA) in accordance with Texas Administrative Code Title 19, Part II, Chapter 97, Subchapter A, #97.7 Non-Public Schools.

SCHOOL MISSION

Prince of Peace Christian School provides a Christ-centered exemplary education equipping students and families as disciples and leaders to meet the challenges of today and the opportunities of tomorrow.
